---

On July 29, 2020, the court issued an order conditionally releasing defendant so that she could travel to and participate in an inpatient treatment program at Springboard Recovery (“Springboard”) in Arizona. (Doc. No. 349)

On October 23, 2020, defendant filed a Motion for Modification of Pretrial Release. She advises that she qualifies to transfer to a lower level of care at Springboard. She requests that the court modify her release conditions to permit her to transition to less intensive sober living facility and continue to receive intensive treatment at Springboard on an outpatient basis.

There being no objection from the United States, defendant’s motion (Doc. No. 469) is **GRANTED**. Defendant shall be permitted to transition from an inpatient facility to a less intensive sober living facility at Springboard and continue with Springboard’s Intensive Outpatient Program. All other conditions previously imposed by the court remain in effect.

**IT IS SO ORDERED.**

Dated this 16th day of November, 2020.
